

We Want YOU!

We are looking for new Junior Road Safety Officers (JRSOs) in your school. Your job, which will last for one year, will be to help more pupils learn about keeping safe on or near roads around your school.

You might have the chance to meet other JRSOs and your Road Safety Officer (RSO) at your first meeting around September. Your RSO will then organise meetings with you over the next year at your school. They will give you a road safety theme to work on and give you posters, leaflets and worksheets, as well as telling you anything else you need to know.

There will be lots of fun things to do including:

- **Assemblies:** you could do your own 'Be Safe, Be Seen' fashion show.
- **Competitions:** word searches, crosswords, posters, whatever you like.
- Designing your own road safety **Notice Board**.
- Getting to know Tam, Connie and Ann from the 'Safety Street' **CD-ROM**.
- Meeting the Streetwise Guys on the **Internet**.

We are looking for pupils who are outgoing and don't mind speaking in front of other pupils and adults. If you want to help others be safe near roads then that is even better.

You can get a form to fill in from your teacher or the school JRSO.

GOOD LUCK!
