

WELCOME

Congratulations on becoming
the new JRSO for your school!

We are pleased to have you on board.

Over the year you will be working with your Road Safety Officer (RSO) to make everyone in your school more aware of the dangers on the road. There will be lots of fun things for you to do such as competitions, displays and assemblies. You will have different themes to work on during the year, and we'll try to keep you up-to-date on what other JRSOs are doing.

Use the year planner to keep a note of how things are going and when you have meetings.

There are also pages for you to photocopy for the noticeboard competitions and a job application and poster for next year's JRSO. You can copy the headed letter paper if you want to write to anyone.

There is also a certificate which you can copy onto card and give to pupils in your school who have done something special for road safety (such as competition winners).

We look forward to seeing the results of your hard work – we know you will do a great job.
